Arkwood, Inc. Site

Dear Mr. Ehrhart:

As noted in your July 2 letter, comments regarding the incinerator destruction and removal efficiency (DRE) will be provided under separate cover. Since field activities can not be initiated until an approved RD Workplan is available, field activities have been tentatively scheduled for late August/early September pending an approved Workplan. Please let me know the status of the DRE comments.

Sincerely,

Jean A. Mescher

Manager, Environmental and Engineering Services
